

Vocal Majority Transforms Your Organization's Event

When you're looking for a musical performance that gets your audience on their feet and charged up for your event or meeting, look no further than Vocal Majority! Our lush, multi-layered harmonies and electrifying choreography make each performance an extraordinary experience.

We're *Pure Harmony*. As 12-time International Chorus Champions, our 100+ voices have inspired people for more than 40 years. Choose the repertoire (with a few song possibilities listed here) just right for you:

- ▶ Patriotic (The Star-Spangled Banner, American Armed Forces Medley, God Bless the U.S.A., Stars & Stripes, I Pledge My Allegiance and more)
- ▶ Texas Package (Texas Medley includes Yellow Rose of Texas, Deep in the Heart of Texas, and others; Ring of Fire, Home on the Range and more)
- ▶ Christmas (Over 20 of your favorite Christmas songs to kick-off the season)
- ▶ Broadway and Pops (Tonight, Bridge Over Troubled Water, I'm on My Way and more)
- ▶ Sacred and Inspirational (Amazing Grace, How Great Thou Art, Joshua Fit the Battle of Jericho, Amen, The Lord Bless You and Keep You and more)

Three Performance-Length Options

- ▶ Kick-Off: In a short 10–15 minute program, Vocal Majority can open your meeting with a patriotic start, such as the National Anthem, the timeless “God Bless the U.S.A.,” “God Bless America,” or other emotion-swelling songs.
- ▶ Short-Length: In 45–60 minutes, Vocal Majority can deliver your choice of any one of our repertoire programs, or a blend.
- ▶ Full-Length: A 2-hour performance in two acts (Act 1 at 55 minutes +/-, and Act 2 at 45 minutes plus intermission), can feature one of our repertoire programs in one act, and a different repertoire program in the second act.
- ▶ Songs performed will be from current active repertoire.
